## **? QC Singles 40+ Dance Lessons**

## **JANUARY/FEBRUARY: WALTZ**

The Bronze Waltz is a progressive and turning dance moving along the line of dance. The figures are designed for both a larger ballroom floor and the average nightclub floor. The use of sway and rise and fall highlight the smooth, lilting style of the Waltz. The Bronze Waltz now contains many open position movements as well as the use of syncopated rhythms to enhance the overall beauty of the American Style Waltz.

## **MARCH/APRIL: RUMBA**

The Bronze Rumba is a MUST for any Ballroom/Latin dancer. The sensual Rumba is a spot dance that does not follow the line of dance. Steps are quite compact, with the feet usually no more than 12 inches apart. A smooth and subtle movement of the hips, called Cuban Motion, is characteristic of the Rumba. This class is a must for anyone who wants to learn to ballroom dance or who is interested in improving their ballroom skills.

No partner required.

These classes are perfect for beginners to advanced dancers.

- Pre-registration deadline is normally the last Friday of the month prior to the start of class. **Deadline for March/April Session is Friday, February 25.** \$90.00 for the 9-week series if paid by the deadline, \$100.00 after February 25 OR \$15 per class.
