

2. Operating Rules and Solicitation Policy

Requests to be placed on the Board meeting agenda must be made to a Board member, at least one week prior to the meeting. The Board may waive the time period where circumstances require it and the agenda allows. Upon receipt of the request, the Board member will:

1. Handle it, if possible,
2. Place the item on the agenda

The club will not sponsor or support events that are of a political or religious nature.

Only Board approved solicitations will be allowed at any Quad City Singles 40 Plus function. Unapproved solicitors will be asked to discontinue the soliciting and/or to leave the event.
